# "The New Normal" at Supa Salon, Istanbul

The New Normal will host two screenings of artists on May 6 & 7 from 8- 10pm, tba venue screening in two time.

"The New Normal" is an exhibition organized by Murat Adash and Hiba Farhat. The inaugural exhibition took place at both The Hangar (UMAM D & R) and Dawawine in Beirut (Lebanon) from March 10-12, 2017. "The New Normal" will have its second iteration in Istanbul from May 5-7, 2017.

As seemingly distant and unlike things are remarkably linked into one another, the new rapidly evolves Most strange and horrific. Although these propositions may appear mutually exclusive, in fact they might as well be mutually constitutive.

In response to the current social order that has been implanted through recent global events into the new normal reality - the participants will be critically investigated, documented, identified, etc. what is the abnormal that has become commonplace. The New Normal from 200 international artists, composers, filmmakers, choreographers, writers, scholars, thinkers and individuals from a variety of other disciplines to create a one-page paper document, which will be on view during the exhibitions.
